Zongxia Li

zli12321@umd.edu Website
College Park, MD

Education

University of Maryland, College Park May 2022
Ph.D. of Science in Computer Science *GPA: 3.50/4.0*
University of Maryland, College Park May 2022
Bachelor of Science in Computer Science *GPA: 3.84/4.0*
University of Maryland, College Park May 2022
Bachelor of Science in Mathematics *GPA: 3.84/4.0*

Research Interests

Large Language Models, Multimodal Models, RL finetuning, supervised finetuning, Human AI Interaction, Evaluation, Diffusion

Skills

Languages: Python, C, R, Java, JavaScript
Frameworks/Tools: Pytorch, sqlite, HTML/CSS, LaTeX

Experience

National Institute of Technology, Gaithersburg, USA

• *Research Assistant Intern, Manager: Juan Fung*, May 2023 - May 2024

- Developed ML models for content analysis and data exploration.
- Ablation study to evaluate how users learn from large sets of documents

Adobe, Document Intelligence Lab, College Park, USA

• *Research Assistant Intern, Manager: Ani Nenkova*, May 2024 - Aug 2024

- Use panel of Judges to improve the expert human correlation for long-form text generation.
- Conclude that LLMs are more reliable evaluators than low-quality crowdsource evaluations.

Tencent AI Lab, Belluvue, USA

• *Research Assistant Intern, Manager: Wenhao Yu*, May 2025 - Aug 2025

- Self-Evolving Large Language Models and Vision-Language Models through reinforcement learning
- Grounding large Multimodal models on visual understanding using reinforcement learning and self reward

Awards

NIST Fellowship Awards
Lambda Research Grant Sponsorship
